

APERTURE RESEARCH WORKS

Monitoring Services

Indicative fee: \$1,500 to \$8,000 per month

Document status	PROFESSIONAL RESEARCH OUTPUT
Edition	Clean text-and-evidence edition
Visual policy	Decorative and non-essential visual elements removed
Prepared by	Paul Hattingh and Aperture Research Works
Contact	info@apertureforensic.com

Reality before reliance. Verification before interpretation.

This edition removes decorative maps, filler diagrams and other non-essential visual treatment. It retains the report as a structured, inspectable research output centred on findings, evidence, limitations, source references and decision use.

Monitoring Services

Indicative fee: \$1,500 to \$8,000 per month

When to use it

Material changes in litigation, regulation, companies, ownership, reputation, statements or evidence.

What is included

Defined monitoring, periodic updates, material-change alerts and evidence reassessment.

What is not included

No guaranteed outcome, regulated legal or investment advice, licensed private investigation, forensic accounting certification, digital forensics, expert testimony or specialist testing unless separately provided by a qualified third party.

Next step

Submit an initial written enquiry at apertureforensic.com. No substantive research begins until scope, output, timing, fee and written terms are agreed.
